OBJECTIVE

I am a B.Tech CSE student at Vel Tech University, graduating in 2027, with a strong background in web development. I have hands-on experience with HTML, CSS, and JavaScript, demonstrated through projects such as a personal portfolio and a calculator, utilizing Git for version control and GitHub for deployment. Passionate about creating efficient web applications, I am eager to expand my technical skills. I am seeking a career in web development or software engineering to contribute to innovative and impactful projects.

EDUCATION

Vel Tech University, Chennai
Bachelor of Technology
Computer Science and Engineering

August 2023 - Present

SKILLS

Languages: C, JavaScript, Python, HTML, CSS, PostgreSQL.
Frameworks: React, Node.js, Express.
Tools: Git, GitHub.
Soft Skills: Time Management, Teamwork, Communication, Problem Solving, Leadership, Accountability

PROJECTS

Project 1 - Personal Portfolio

Technologies Used: HTML, CSS, JavaScript; **Tools:** Git, GitHub

- Developed a personal portfolio to showcase my skills and projects.
- Implemented responsive design and interactive features using HTML, CSS, and JavaScript.
- Utilized Git and GitHub for version control and project management.
- Overcame various challenges and errors through extensive personal research and troubleshooting.
- Gained significant hands-on experience and learned new techniques as a beginner in web development.

Project 2 - Calculator

Technologies Used: HTML, CSS, JavaScript; **Tools:** Git, GitHub

- **HTML/CSS:** Developed the calculator with semantic HTML for structure and CSS (Flexbox, Grid) for layout, responsive design, and interactive styles.
- **JavaScript:** Implemented core functionality and dynamic features, including event handling, arithmetic operations, and real-time updates, with robust error handling.
- Independently developed the calculator, utilizing Git and GitHub for version control, and enhanced problem-solving skills through extensive debugging and personal research.
- Gained hands-on experience and improved technical skills in HTML, CSS, and JavaScript, deepening my understanding of front-end development.
